Borough of Chesilhurst

MEMO

TO: Chesilhurst Borough and Council

FROM: Councilwoman Maria C. Littles

DATE: September 1, 2022

Good evening, Mayor, Council and Residents of Chesilhurst,
This is my Council report:

Rent Control

The Rent Control Board did meet during the Month of July and August.

Drug Alliance

Through the months of July and August I have been working on finalizing the 2021/22 GCADA Municipal Alliance Report. We should be hearing from the County within the next few days on the approval of funds for this fiscal year.

National Night Out this year was held on August 2 from 4-8 PM. The purpose of National Night Out is to solidify our already strong relationships between our Police Department and the Community. I think they are the BEST! The event this year was packed full of fun which also included Basketball 2 on 2 competitions. One youth competition and one adult competition. Trophies for both events will be housed in the Borough Hall.

Look for information about our upcoming Prescription Take Back Day on October 29, 2022

Historical Committee

The Historical Committee has continued its ongoing research into the properties where our cemeteries exist.

It is still too early to broadcast a date for the annual clean up but Councilwoman Chew, who is the chair of this committee, will make the announcement at that time.

Respectfully Submitted,

Councilwoman Maria C. Littles
