

Council Report

April 4, 2024

Mayor and Council,

I submit the following report for the month of April, 2024

As Liaison to Events Committee

In preparation of the upcoming Chesilhurst Day event, I have listed and forwarded the names of 9 volunteers who will participate in any areas needed for that day's events. Names and phone numbers have been submitted and I am pending more information for the requested email addresses needed to account for each volunteer.

I am also in conversations with a couple of preventive care and healthcare professionals who promote drug free lifestyle and awareness to participate in this year's Chesilhurst Day celebration. These vendors are in addition to the already contacted County representatives.

As to Drug Alliance

I have reached out to Lance Grant from the Save my Life Program for his interest in a demonstration at April 4, 2024 Council meeting for services they provide as well as a small presentation for staff. At this time, Lance has not yet responded to my invite with his availability.

As to Personnel Committee

Nothing to report

This ends my report for April, 2024
